_____ **return customer** discount \$-250.

_____ **cost** of disposable container (\$35.00) if applicable.

_____ **total due** before services rendered

1. This contract is good for one foal. Multiple foals will require a separate contract and breeding fee for each resulting foal.
2. A container deposit may be charged. That deposit will be refunded to mare owner at the end of breeding season provided all containers are returned and upon notification to Breeder of pregnancy status of mare. Mare Owner is responsible for returning container to the breeder within 7 days. If the container is not back in our office in 7 days, there will be a \$20 per day daily rental fee assessed and deducted from the container deposit. Disposable containers are available at the cost of 35.00 without need for deposit fees.
3. A photocopy of the registration papers shall be sent to the Breeder with this contract.
4. Regular shipping days will be starting February 15th on weekdays Monday through Friday - ending on July 30th or before. Weekend collections based on availability. For best results, we highly recommend sending your mare to a vet clinic or breeding farm to determine her heat cycle.
5. The Breeder must be notified no later than 5:00 PM Pacific Time on the day before the shipment is to be sent. Semen will be shipped on collection days only on a "first to order" basis. Mares sent to Breeder will receive preference for semen availability.
6. Semen order cancellations not made before 8:00 AM Pacific Time on shipping morning may be subject to a cancellation fee of \$100.
7. The breeding season in force for this contract shall begin February 15th and close July 30th, year of contract.
8. For mares bred on site; mare owner agrees to transport, at their expense, above mentioned mare DunsNRoses Ranch, Fruitland, Washington for insemination. Any collection will be performed by a veterinarian licensed in the State of Washington and a member of McKinley & Peters Equine Services. Fees incurred as a result of breeding, treatments associated with breeding, and veterinary care (routine and emergency) shall be the responsibility of the mare owner. The owner by signature below authorizes breeding, treatments associated with breeding, and veterinary care (routine and emergency) by McKinley & Peters Equine Services and further agrees to hold harmless McKinley & Peters Equine Services or Breeder for any injury or illness in association with the insemination of semen provided by MPEVH.
9. **Live Foal Guarantee:** Live foal means the foal shall stand and nurse. It is understood that if the mare proves barren, aborts her foal, or if foal is still-born a return season is guaranteed for the following year only, providing proper notification is given. Proper notification is a written certification by a licensed veterinarian within seven days that the mare has slipped, or produced a non-viable foal. Mare owner certifies that such mare had received Pneumabort vaccinations on the 5th, 7th, and 9th month of gestation along with normal health care and abortion or death did not result from any act or omission of the Owner.
10. **Color Guarantee:** If the resulting foal of this breeding is any color other than dun, buckskin or grulla we will offer a breeding that season for same mare at no additional booking fees or stud fees, only collection/live cover and shipping costs apply. Good for the following year only.
11. Third year rebreeds are subject to an additional booking fee of \$250.00 plus any increases in the breeding fee.
12. Should the above-named stallion die, or become unfit for service, or if the above-named mare should die during breeding season, then the Mare Owner may substitute another mare or breed the mare to another stallion standing at the Breeder's facility that is agreed to by both the Mare Owner and Breeder. At no time is the contract saleable or transferrable.
13. A breeder's certificate will be issued to Mare Owner after all expenses have been paid in full and upon notification of birth.
14. The signing of this contract entitles Breeder to charge 12% annual interest on all past due invoices. Past due billing is defined as those amounts not paid within 30 days of invoicing.
15. This contract is governed by the laws of the state of Washington. All accounts are due and payable in Stevens County, USA.
16. Breeder will send two (2) doses of industry standard cells with appropriate information concerning progressive motility numbers at time of dispatch. Breeder is not responsible for the handling process of the semen after its departure.
17. This contract is not valid unless completed in full, signed by Mare Owner, and returned with payment of the booking fee to Breeder.
